

Funding Your MGSBV Account

Adding funds to your MGSBV account is easy. We currently accept ACH, bank wires and checks. Please select the option below that is right for you and review the instructions on how to fund your account.

 When funding your account, it is critical that you provide us with your Account Number when you make a deposit. Failing to do so will result in a delay in processing your deposit.

If you have any questions please feel free to call or email us at any time. We are here to help.

Domestic ACH - US Dollar Deposits

Funding your account via ACH is the easiest method for US based banks. Once you have completed a simple one-time verification process for each bank account you would like to use, you may fund your account via a deposit request. Your funds will be post as soon as we receive them from your bank, and are available for trading by 6:00PM EST 1 business day later. You may submit a deposit of up to \$100,000.00 per 7 day period. All deposits are subject to review and may be restricted.

Adding a Bank Account

1. Log into your account and click on the following links: **Funding Tab ->Bank Accounts**
2. Click on the **Add New Bank Account** link in the bank accounts grid
3. A new window called Add New Bank Account popup will display. You must fill in all the required information indicated by the red asterisks
4. Click the **check box** in the "Enable this account for ACH Deposit" section and click Save and Continue
5. Review and verify the data on step 2 and click **Submit** if all the information is correct
6. Click **Close** on the final step after the account is submitted

Verify a pending ACH Bank Account

1. After your bank account has received the trial verification amounts, you will receive an email notifying you this
2. Log into your online banking account or check your latest bank statement for **2 credits** and **1 debit** from MGSBV
